

Dear ExpressLanes Stakeholders,

Important milestones are approaching for the ExpressLanes Demonstration Project, the first of which is the completion of the Draft Environmental Impact Report/Environmental Assessment (Draft EIR/EA) for the I-10 and I-110 HOT Lanes Projects.

Caltrans is soliciting comments on the Draft EIR/EA for the proposal to convert existing High Occupancy Vehicle (HOV, or carpool) lanes on the San Bernardino Freeway (I-10) and the Harbor Freeway (I-110) to High Occupancy Toll (HOT) lanes. Visit the Caltrans website at <http://www.dot.ca.gov/dist07/resources/envdocs/> where the electronic document is available.

Written comments may be submitted through March 29, 2010 to: Ron Kosinski, Deputy District Director, California Department of Transportation, Division of Environmental Planning, 100 S Main St, MS 16A, Los Angeles, CA 90012. The Draft EIR/EA is also available for review and copying at the Caltrans District 7 Division of Environmental Planning, 100 S Main St, Los Angeles, CA 90012 weekdays from 8am to 4:30pm.
